### **roadside cleanup**

[harry.Lanphear@mainegenersl.org](mailto:harry.Lanphear@mainegenersl.org),

Add lakeside, change Boy Scouts to Scouts, make 4 copies  
Jeff sent out thank you letters

### **Dump Site**

Off the pipeline road  
30 years old or so, on town land, just over Hallowell line  
Old car, refrigerators, stoves, radiators  
Needs to be cleaned up, Martha was going to make Chuck aware  
Is there any money available, grants  
Gary will call Pat and see what can be done

### **Fairbanks pond**

7 mile recreational trail, people are making side trails off this thru the town wood lot.  
The trail is not going near pond. No problem now, maybe if they start using 4 wheelers  
on it. Someone is cutting wood on private land. Jeff will look for logging plans.

### **Town Meeting**

Next Thursday

### **Park - Old fire station**

Vote will be Tuesday on written Balance  
Full option is option A  
Passing option will be required to be funded at the town meeting  
We should do an email blast to let everyone know to vote for option  
Shannon is doing a flyer on the reasons for supporting option A. Shannon will put up on  
face book and put flyers up. Shannon and Steph will work on letter to editor.  
Gary will make a motion that we officially endorse option A, Shannon second,  
unanimously passes. Jeff will speak in favor of option A or any option at town meeting if  
he is there.

### **No solid waste or recycling report**

**Annie is perusing fields pond grant.** She is also looking into a request for the  
Conservation Corp. If we get funding they can not start until fall.

### **Relocation of snowmobile trail around Shed Pond**

No agreement yet of bridge crossing with KLT. Gary will follow up with Paul

## **Herron Rookery**

Jeff made sure it is registered as a wetland and made sure people know it had a Herron Rookery. It is defined as a wetland in the Manchester Comp plan. Gary will send info to the ecologist in charge. Ultimate goal is to have some one by it and protect it.

## **Planing for next year**

### **Election of Officers**

Jeff is going to step down from chair, Anne does not want to be an office. Gary is willing to serve as chair, Stephanie willing to be Secretary/treasure

Sharron moves the slate, Stephanie second, passes unanimously

Thank you Jeff for doing a great job

Start next meeting to put time frames and activities together for work defined by comp planned.

Jeff talked about top five priorities for Next year based on the comp plan. Also ongoing

Utilize GIS mapping to better define boundaries of areas deemed "critical natural areas" and " high value areas"

Discuss what our role is with the planning board and
